

Byblos AI Terms of Use

Updated January 2025

Welcome to Byblos!

In these terms and conditions, the words “Service”, “Services” and “Platform” refers to the Byblos AI website, "we", "us", "our", and “Byblos” refers to Byblos AI and "you" and "user" refers to you, the Byblos AI user.

These Terms apply to your use of Byblos AI and our free AI-powered search tool. This includes any other versions of Byblos AI accessible via desktop, mobile, tablet, social media or other devices. These Terms form an agreement between you and Byblos AI. By using our Services, you agree to these Terms.

Our Privacy Policy explains how we collect and use personal information. Although it does not form part of these Terms, it is an important document that you should read.

If you have any questions or concerns about these Terms, please contact us at support@getByblos.com

1. ACCESS

Access to and use of Byblos is limited exclusively to users who are 18 years of age or older. If you are under 18 you must have your parent or legal guardian’s permission to use the Services.

2. CHANGES TO TERMS

We may update or modify these Terms of Service from time to time. Any changes will be posted on this page with the updated effective date. It is your responsibility to review these Terms periodically. Continued use of the Service after such changes constitutes acceptance of the new Terms of Service.

2. USING OUR SERVICES

a) Eligibility: The Service is available to businesses and organizations. You must be at least 18 years old to use the Service.

b) Prohibited Use: You agree not to use the Service for any unlawful purpose or in a way that could harm or interfere with the functionality or security of the Service. This includes, but is not limited to, using the Service to transmit malicious software, engage in spamming, or violate the rights of others.

3. SEARCH/CHAT FUNCTIONALITY

Our Service utilizes artificial intelligence to help you discover software solutions. While we aim to provide accurate and relevant results, we cannot guarantee that all results will be accurate, complete, or suitable for your needs. You acknowledge that the AI-powered search is a tool and should be used at your discretion, and you are ultimately responsible for evaluating the suitability of any software solution.

4. PRIVACY

Your use of the Service is governed by our Privacy Policy, which explains how we collect, use, and protect your personal data. By using the Service, you consent to the collection and processing of your data as outlined in our Privacy Policy.

5. TERMINATION

We reserve the right to suspend or terminate your access to the Service at any time for any reason, including, but not limited to, violation of these Terms of Service or fraudulent activity. Upon termination, you must cease all use of the Service, and we may disable your account.

6. LIABILITY

a) Disclaimer: The Service is provided "as is" and "as available" without warranties of any kind, express or implied, including but not limited to warranties of accuracy, completeness, or fitness for a particular purpose. We do not guarantee that the Service will be free from errors, interruptions, or defects.

b) Limitation of Liability: To the fullest extent permitted by law, Byblos AI shall not be liable for any indirect, incidental, special, or consequential damages, including loss of profits, data, or business opportunities, arising out of or in connection with your use of the Service, even if we have been advised of the possibility of such damages.

Byblos AI is not responsible for any loss, damage or exposure of data caused by unauthorized access or breach of data on the Platform. Although we implement robust security measures, users should be aware of the risks inherent in using a platform that integrates with various personal and professional tools. It is the user's responsibility to protect the confidentiality of their information and to use the Platform securely. In the event of an unauthorized access or data breach, Byblos AI will assist in investigating and resolving the incident, but will not assume legal responsibility for indirect or consequential damages. Byblos AI assumes no responsibility for misuse of artificial intelligence capabilities. Advanced AI features are designed to enhance user productivity and convenience, but use of Byblos for unethical or illegal purposes, such as automating spam or conducting unauthorized surveillance, is strictly prohibited. Users are responsible for ensuring that their use of Byblos complies with all applicable laws and regulations. Any misuse of Kloen capabilities will result may result in legal action.

Byblos AI is not responsible for any consequences arising from misinterpretation or misuse of the advice and information provided by Byblos. Although the Platform is designed to offer assistance based on artificial intelligence, it is the user's responsibility to evaluate and decide the relevance and application of any advice or information received. Decisions made based on information provided by the Platform are solely at the user's discretion and risk, and Byblos AI will not assume responsibility for any unintended results or damages arising as a consequence of such decisions.

7. COPYRIGHT INFRINGEMENT

Byblos AI will respond to all inquiries, complaints and claims regarding alleged infringement for failure to comply with or violation of the provisions contained in the Digital Millennium Copyright Act (DMCA). Byblos AI respects the intellectual property of others, and expects users to do the same. If you believe, in good faith, that any material provided on or in connection with the website infringes your copyright or other intellectual property right, please send us your copyright infringement request pursuant to Section 512 of the Digital Millennium Copyright Act (DMCA), with the following information:

- Identification of the intellectual property right that is allegedly infringed. All relevant registration numbers or a statement regarding ownership of the work should be included.
- A statement that specifically identifies the location of the infringing material, in sufficient detail so that ARES can find it on the platform.
- Your name, address, telephone number and email address.
- A statement by you that you have a good faith belief that the use of the allegedly infringing material is not authorized by the copyright owner, or its agents, or by law.
- A statement by you, made under penalty of perjury, that the information in your notification is accurate, and that you are the copyright owner or authorized to act on its behalf.
- An electronic or physical signature of the copyright owner or of the person authorized to act on the copyright owner's behalf

Please send your request to copyright@kelonai.com

8. PROHIBITED ACTIVITIES

The following activities are prohibited:

- It is strictly forbidden for users to attempt to access or access areas of Byblos or its systems for which they do not have explicit authorization.
- Accessing, monitoring, reproducing, distributing, transmitting, broadcasting, displaying, selling, licensing, copying or otherwise exploiting any content on the platform.
- Users are prohibited from extracting data from Byblos for any purpose. This includes both manual scraping and the use of automated systems, bots or scripts.
- Violate platform restrictions or circumvent or circumvent other measures used to prevent or limit access to the platform.
- Take any action that imposes or may impose, in our discretion, an unreasonable or disproportionately large load on our infrastructure or servers.
- Deep-link to any part of the platform for any purpose without the express permission of Byblos AI.
- Users are not permitted to redistribute, resell or provide access to Byblos services to third parties without explicit and direct permission from Byblos AI.
- Circumventing, disabling or otherwise interfering with the platform's security features or features that prevent or restrict the use or copying of any content.
- Use of Byblos for illegal or unauthorized purposes is strictly prohibited. This includes activities such as fraud, infringement of intellectual property rights or intrusion into the privacy of others.

9. WARRANTY

Due to the nature of the Internet, Byblos AI provides and maintains the platform on an "as is", "as available" basis and does not promise that use of the platform will be uninterrupted or error-free. We will not be liable to you if we are unable to provide the platform and the functionality included on the platform for any reason beyond our control.

Except as provided above we can give no other warranties, conditions or other terms, express or implied, statutory or otherwise and all such terms are hereby excluded to the maximum extent permitted by law.

You will be responsible for any breach of these terms by you and if you use the platform in breach of these terms you will be liable to and will reimburse Byblos AI for any loss or damage caused as a result.

Byblos AI shall not be liable for any amount for failure to perform any obligation under this Agreement if such failure is due to the occurrence of any unforeseen event beyond its reasonable control, including, without limitation, Internet outages, communications outages, fire, flood, or any uncontrollable act of nature.

These terms do not affect your statutory rights as a consumer which are available to you.

Subject as aforesaid, to the maximum extent permitted by law, Byblos AI excludes liability for any loss or damage of any kind howsoever arising, including without limitation any direct, indirect or consequential loss whether or not such arises out of any problem you notify to Byblos AI and Byblos AI

shall have no liability to pay any money by way of compensation, including without limitation all liability in relation to:

- Any incorrect or inaccurate information on the platform.
- The infringement by any person of any Intellectual Property Rights of any third party caused by their use of the platform.
- Any loss or damage resulting from your use or the inability to use the platform or resulting from unauthorized access to, or alteration of your transmissions or data in circumstances which are beyond our control.
- Any loss of profit, wasted expenditure, corruption or destruction of data or any other loss which does not directly result from something we have done wrong.
- Any amount or kind of loss or damage due to viruses or other malicious software that may infect a user's computer equipment, software, data or other property caused by persons accessing or using content from the platform or from transmissions via emails or attachments received from Byblos AI.
- All representations, warranties, conditions and other terms which but for this notice would have effect.

10. INDEMNIFICATION

You agree to indemnify, defend and hold harmless the platform, its officers, employees, affiliates and suppliers against any claims, losses, damages, costs and expenses (including reasonable legal fees) resulting from or related to your misuse of the platform or violation of this clause.

11. CHANGES

We may change the platform and these terms at any time, in our sole discretion and without

notice to you. You are responsible for remaining knowledgeable about these terms. Your continued use of the platform constitutes your acceptance of any changes to these terms and any changes will supersede all previous versions of the terms. Unless otherwise specified herein, all changes to these terms apply to all users take effect.
